Island	6x12	8 and above

3. Booth Type

I. RAW SPACE

Only space is provided in this booth type. Exhibitors **MUST** construct their booth using a COEX appointed contractor. (COEX appointed contractor list can be found in our official website, www.semiconkorea.org)

II. DECORATED BOOTH

Pre-decorated exhibit booth by the official contractor. It includes the following items, including installation, cleaning and dismantling.

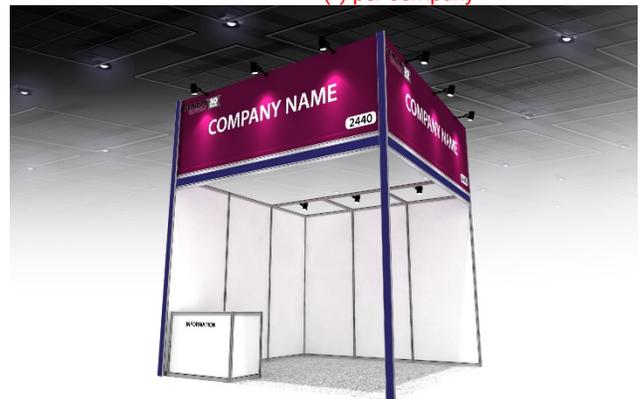

- Octanorm System Structure
- Needle Punch Carpet(Gray)
- Signboard/Fascia Name
- Chair (1)
- Electric Socket (1)
- Fluorescent Light (1)
- Spotlight (3)
- Information Counter (1)*
- Waste Basket (1)*

(*) per company

I. I PREMIUM PACKAGE BOOTH

The premium package booth is prepared for exhibitors with raw booths who want their booth design to be more elegant than the decorated booths and cost efficient compared to constructed booths. Please apply your booth preference as raw booth when you submit your application and then apply for the premium package booth through the Online Service Registration website in October.

Note: Pricing according to booth size.

4. Booth Price (Unit: KRW)

Booth Type	SEMI Member	Non-Member
Raw	3,100,000	3,950,000
Decorated	3,950,000	5,000,000

* SEMI membership must be active until the finalization of the show date to receive member pricing.
